

Specialist Physician (Registrar) Position
Department of Pediatric Hematology/Oncology
The National Oncology Centre, The Royal Hospital

The Royal Hospital, The National Oncology Centre is seeking to hire a Specialist Physician (Registrar) to join the Department of Pediatric Hematology/Oncology.

The Royal Hospital is the largest tertiary referral center for the whole country with more than 150 beds allocated to Pediatric patients from newborns up to twelve years of age. The Hematology/Oncology Department consists of 25 in-patient beds utilized for the diagnosis and treatment of children with cancer and blood disorders, complemented with daily out-patient's clinic with an average of 25 visits per day. The department is affiliated with Sultan Qaboos University and the Oman Medical Specialty Board.

The successful candidate will join the Department of Pediatric Hematology/Oncology as a Specialist Physician (Registrar). In this capacity, this individual should independently provide direct clinical care for children with cancer and blood disorders at the in-patient unit, out-patient clinic and day-care unit. Also, this individual will act as a second oncall as per the Ministry of Health oncall system. This individual will also devote a fraction of his or her effort toward providing teaching and supervising trainees rotating through the Department of Pediatric Hematology/Oncology.

Candidates for this position must have:

- MD or equivalent degree
- Board Certificate or equivalent degree
- Completed a structured training in Pediatric Hematology/Oncology
- Work experience as a specialist (Registrar) in Pediatric Hematology/Oncology

Applicants must be eligible for licensure in the Ministry of Health, Oman.

Compensation for this position will be primarily based on Specialist Grade salary. The anticipated start date for this position is to be negotiated.

Potential candidates should apply directly by emailing a cover letter and CV copy to:

Dr. Ibrahim Al Ghaithi
Head, Department of Pediatric Hematology/Oncology
